

YOUTH NEWS

No Valentine? No problem--You are loved.

Pancakes:

This month we will be spending some of our High School Night planning a pancake breakfast fundraiser. The date of the breakfast is TBD, but we still need to start planning and preparing. Bring all the ideas you have and we will get to work!

If anyone remembers how it was done in the past, I'd love to hear about it. I have a game plan in mind, but it'd be nice to know what worked and what didn't work so we can be on top of our game.
