It's November! What comes to your mind as we are entering the month of November? Thanksgiving? Family gathering? Family Thanksgiving dinner?

In the United States, November is the month that hosts Thanksgiving, a day to reap the harvest and celebrate the community's or family's collective bounty.

What does Thanksgiving mean to you this year with the Coronavirus pandemic? Can you still be thankful? Can you not be thankful as much as you have been in the years because of what we have suffered from the pandemic?

I am very thankful to God, more than I have been over the past years. It surprises me because this year has been more challenging than other years. As I look back, what we have gone through, all the hardships were much more challenging than other years. But I am still thankful. I am even more thankful than other years. My heart is filled with the grace and love of God.

Actually, the pandemic opened my spiritual eyes to see the blessings that I had not seen before. God has blessed me with many things. One of them is good health. However, I had taken it for granted before the pandemic. But facing the challenges from Coronavirus day in and day out, I came to realize what a wonderful gift life is. Every day when I wake up and when I go to bed, I am deeply thankful to God for being alive which means every moment is a gift and blessing from God.

I am not saying that the Coronavirus pandemic is a blessing. We all have suffered a lot from it. But in spite of all of that, we find blessings, even more deeply than before the pandemic. And we can rejoice over all the blessings from God even in times of trials such as the Coronavirus pandemic. Paul is so right when he said, "Rejoice in the Lord always; again I will say, Rejoice." (Philippians 4:4, NRSV)

In the midst of the Coronavirus pandemic, we will gather at the Thanksgiving table. For many families it might not be like the usual gathering, missing some family members. But I am sure we will be able to count many blessings and rejoice in our good Lord.

# Youth activities

## Summer Fun...in October!

It was about 40 degrees last year around this time on the night of Reverb. We had chosen to go to Altitude Trampoline Park and Clubhouse Fun Center. I had jokingly told everyone not to wear shorts...and not everyone had followed that instruction. One of the highlights was the go-karts and the golf course at Clubhouse. The golf course was cold and we all froze doing the go-karts. It took my hands about a day to thaw out. Well, it felt that way at least.

We all have fun and laugh reminiscing about it. While we had a good time, it was just too cold. Yesterday, however, was perfect. 75 and sunny in the middle of October—what a blessing! The perfect day for a do-over!

I had almost swept the day. I came in first at Golf and took an early lead until almost the last lap in the go-kart race. The whole time I had looked back and knew Luke was right behind me trying to overtake me. On the last lap I slowed for a corner because I was about to lap another driver. Suddenly around the bend Luke followed by Steven zipped around and left me in the dust. Well played.

We had a great time with everyone. We arrived early, beat the crowd and had the whole course to ourselves. At the end of the day we had cookie cake (thank you Deepa!) to celebrate Ella and Steven's birthdays. We swear also that Cyril had grown about a foot since we last saw him. We didn't even recognize his voice. God blesses us in many ways. An unexpectedly warm day at the end of October was one of them.

*Aldersgate Greece Youth Group*

## Thank You!

Thank you to all who have supported the youth group's bottle and can drive! Please keep them coming!

## Children's Ministry

**Children's Sunday School** (all in one room school) hopes to move inside to Fellowship hall November 1<sup>st</sup>. Windows will be open, fans circulating the area, the children will be sitting at tables socially distanced, and wearing masks. Rhonda Simonelli and Brian Winter will be co-teaching this group of children.

### Student Volunteers Needed

We are planning a special worship service **"HANGING OF THE GREENS"** on November 29<sup>th</sup>. This is also the first Sunday of Advent. We are looking for children and youth to lead the service who are interested in reading lines. This will be a somewhat modified version of what we have done in the past. We will be following safety protocols and guidelines for worship service. Please contact Rhonda Simonelli or Brian Winter if your child is interested in participating.

### A Special Advent Worship Service To Begin this Holy Season!

**"Hanging of the Greens"**

**Sunday, November 29**

**10:00 am Worship Service**

### Successful 2020 CROP WALK

This year our preliminary total (area churches participating) amount donated is \$8,918 in a PANDEMIC year with many fewer walkers. Last year, we raised \$8,178. The total amount we raised at Aldersgate UMC has not been finalized yet. Thank you all for your support!

## WHITE GIFTS CHRISTMAS PROGRAM

Helping Needy Families for 56 Years

The Aldersgate tradition of providing Christmas dinner and gifts for needy families will continue this year. We intend to provide help to at least 16 families. Listed below are some of the ways that you can help make this a special Christmas for those families.

### MONETARY DONATIONS

**ADOPT-A-FAMILY** - Money will be provided from the White Gifts general funds. You have the rewarding assignment of personally shopping and delivering to your "family."

**SPONSOR-A-FAMILY** (Full responsibility for a needy family).

Just like the "Adopt-A-Family" option except that you fully sponsor the cost of the food and

gifts. Expect to spend between \$300-\$400 for food and gifts for an average size recipient family. *You may want to share this project with other Aldersgate families, co-workers, neighbors, or friends and split the expense.*

**Provide assistance in purchasing requested items.**

### Plan Now!

Speak to Jan or Tracy Winter at church or contact them by calling Jan at 943-7353 for more information and to volunteer in this very rewarding venture as soon as possible. You may also e-mail Jan at winterjanets@gmail.com.

## Our Narrative Budget

Four principles of biblical stewardship should be held in our hearts and minds:

**The principle of ownership.** “The earth is the LORD’s, and everything in it, the world, and all who live in it.” (Psa. 24)

All Christians are but God’s stewards. Everything we have is on loan from the Lord, entrusted to us for a while to use in serving Him.

**The principle of responsibility.** The Bible constantly asks, What about your responsibilities? Owners have rights; stewards have responsibilities. (Bill Peel)

**The principle of accountability.** Like the servants in the Parable of the Talents, we will be called to give an account of how we have administered everything we have been given, including our time, money, abilities, information, wisdom, relationships, and authority. (Bill Peel)

Our time, talents are treasure are on loan to us from God. Give them away with unlimited generosity.

**The principle of reward.** “Whatever you do, work at it with all your heart, as working for the Lord, not for men, since you know that you will receive an inheritance from the Lord as a reward. It is the Lord Christ you are serving.” (Col. 3: 23-4)

“Well done, good and faithful servant! You have been faithful with a few things; I will put you in charge of many things. Come and share your master’s happiness!” (Matt 25:21)

**2020 has been an unusual year hasn't it? We have been challenged in ways we could not have imagined a year ago.** As a congregation we have pulled together – from afar! We continue to thrive as a congregation. No one has a crystal ball, but we are planning on more and more areas of our church life to return to in-person as 2021 progresses. In the meantime, our staff continues to work creatively to provide ministry to us all, our Trustees and our Custodian are working on maintaining our building and keeping it clean, and church leadership continues to meet regularly to monitor our finances and other issues, and to make decisions on how to continue to safely reopen.

Following are the estimated Income and Expenses for 2021, and how those expenses are spent toward the various ministries of the church.

### 2021 Budget Income:

\$ 212,000	Pledged Offerings
\$ 60,000	Plate/Gifts
\$ 2,600	Fundraisers
\$ 10,000	Room Rental
<u>\$ 70,000</u>	Increased giving need for 2021
\$ 354,600	TOTAL

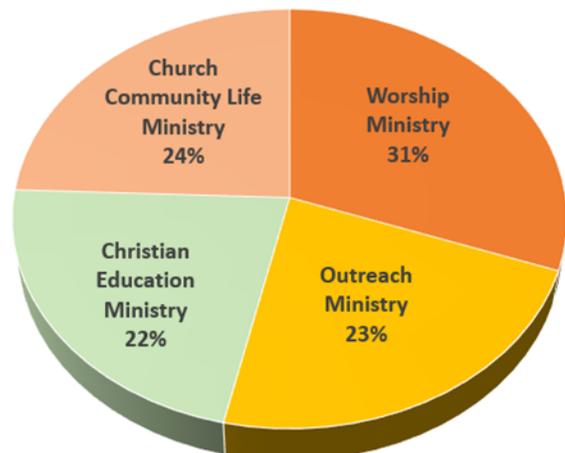

### 2021 Budget Expenses:

\$ 210,600	Salaries and benefits
\$ 102,000	Admin and Maintenance
<u>\$ 42,000</u>	Ministry Shares to UMC
\$ 354,600	TOTAL

### SPENDING in MINISTRY AREAS:

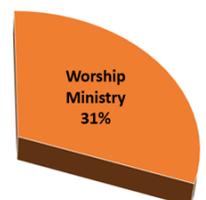

31%	Worship Ministry
23%	Outreach Ministry
22%	Christian Education Ministry
24%	Church Community Life Ministry

Spending in Ministry Areas

**Worship Ministry - Loving God.** “You shall love the Lord your God with all your heart, and with all your soul, and with all your mind.” Matt 22:37

The worship experience continually shapes our lives through hearing God’s story and sharing our own stories. The liturgical arts and music enhance our expression of God’s grace.

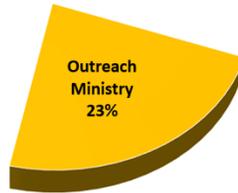

31% — This includes a percentage of our pastors' compensation, administrative and facilities budgets, and our Music Director's, Organist's, and Contemporary Worship Team Leader's compensation.

- Weekly Worship services
- Choir direction and accompanist (Once it is safe for choral singing again – we hope in 2021)
- Organ and other music during worship services
- Contemporary worship leadership (We are hoping to have a new CWL before the end of 2020)

**Outreach Ministry - Serving Others. You were called to freedom, brothers and sisters...serve each other through love."** Galatians 5:13

Young people, men, women – everyone can serve in some way within our outreach ministries. The circles of influence of our outreach include local efforts which not only serve area needs but also sustain our other larger global missions. God has called us to take up the cross and address the great needs in Uganda. We support the ministry and mission of The United Methodist Church by giving the apportioned ministry share to The United Methodist Church (we have not been able to fully contribute our full apportionment for the last two years). This we do in addition to other thriving initiatives – Community Dinner, Mission trips, English Village reading program, White Gifts to name a few.

(23%) — This includes a percentage of our pastors' compensation, administrative and facilities budgets, Ministry Shares (Apportionment) to UMC, a portion of the Communication budget.

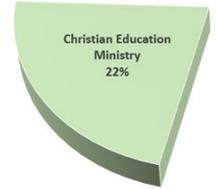

- Supporting ministries across the country and around the world

- RAIHN
- White Gifts
- Health Kits & School supplies
- Church Website & Facebook page
- Craft Workshops

**Christian Education Ministry - Changing Lives. "So if anyone is in Christ, there is a new creation: everything old has passed away; see, everything has become new!"**

2 Corinthians 5:17

Our ministry is blessed by offering weekly Bible studies and opportunities of formation and growth of faith for children, teens and adults.

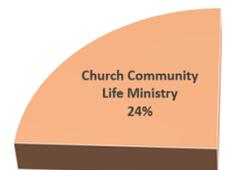

22% — This includes a percentage of our pastors' compensation, administrative and facilities budgets, Youth Director and Christian Ed Directors salaries, and Youth and Christian Ed budgets.

- Christian Education
- Children's Ministry
- Youth Group Ministry
- Confirmation
- Vacation Bible School
- Adult Sunday School
- New Membership classes
- Baptisms

**Church Community Life Ministry (Fostering Connections. "For just as each of us has one body with many members, and these members do not all have the same function, so in Christ we, though many, form one body, and each member belongs to all the others." (Romans 12:4-5)**

We intentionally work to learn and share the stories of our members, deepening the community and relationships we cherish. Our church family includes people of diverse backgrounds, beliefs, understandings, attitudes and geography. Everyone is welcome to this church home.

Estimate of Pledges and Gifts	\$268,138
Other Giving	\$ 82,600
Total	\$354,600

***“I want you to have all the time you need to make this offering in your own way...God loves it when the giver delights in the giving.”*** From 2 Corinthians 9, *The Message*

A budget is first and foremost a faith statement – it reflects our beliefs, values, and priorities. We share these numbers to understand what kind of commitment it takes to realize our hopes and dreams for ministry.

Each one of us can give at different levels and in a variety of ways. Giving is a subversive act – striking a balance between your personal needs and sharing your gifts with the world. You might ask yourself – does my giving reflect

my values? Look at the total you give to the church and other organizations and compare it to other expenditures in your life.

***(Note: Our Building Fund is separate from our Annual Budget. All gifts to the Building Fund are used to cover the current monthly mortgage. This is a commitment for approximately another 9 years.)***

**Ultimately, we give not because we must, but because we want to express gratitude for the abundance and blessings in our lives.** When we recognize and acknowledge both our abundance and our blessings, we are freed from the narrative of scarcity that our culture perpetuates. Consider your giving a reflection of your Blessed Life!

**Commitment Sunday is November 15!** You can make your financial commitment to the church either in-person, by email or snail mail. Your commitment will help us to determine what our Ministry will be able to do in 2021.

## 2020 Annual Conference Summary

As with so many events in this pandemic year, the 2020 Upper New York Annual Conference wasn't quite what it has been in the past. Two or three days of fellowship, worship and decision making, became a six-hour business meeting over Zoom. Nevertheless, the seven hundred plus people who watched were witness to the serious work that goes on behind the scenes of the Conference. Multiple committee reports were presented, amendments were made and voted on, and the 2021 budget was agreed to. Here are a few highlights:

- The Board of Pensions and Health Benefits Report. There were four recommendations dealing with pensions and benefits, and included the move starting in January 2021 from the Wespath traditional HealthFlex plan to Wespath's HealthFlex Exchange.
- The Equitable Compensation report recommended that base compensation rates stay the same as previous years. Raises for eligible employees should be greater than 1.3%.
- The Nominations Report went through all the people who will be filling positions throughout the conference, including many of the committees. A couple of names jumped out: Doug Hess was named to the Accessibility Committee, and Christine Mitchell was named to the Safe Sanctuaries Committee.
- The Trustees Report noted that the camp and retreat

centers, after being closed all summer, are now open for small groups. They pointed out that currently they are caring for 28 properties of churches that have closed and eleven legacy properties at a cost of \$575,000. They also discussed the impact of the Child Victims Act. The statute of limitations has been extended to August of 2021. There are eight cases that are impacting Upper New York, all of which date back to before 2010, before Upper New York as a conference existed. There is no insurance coverage. The conference has hired a law firm to represent churches that have been subpoenaed. Prayers were offered to the victims involved.

- The Conference Council of Finance and Administration report shared that, because of Covid, the 2020 Budget needed a slight adjustment, as well as the Budget offered for 2021. The expectation is that churches will continue to submit their ministry shares. The budget and report were supported.

Annual Conference for 2021 is scheduled for June 3-5 in Syracuse. General Conference is scheduled for August 29-September 7, 2021 in Minneapolis, MN.

Details, full articles and videos are available on the conference website: <https://www.unyumc.org/events/annual-conference>
