

# Aldersgate Hinge

September 2021

## From the Pastor

Greetings to Aldersgate Family!

I hope you had a great summer with fewer restrictions on traveling and gathering – having fun with family and friends and enjoying the beauty of nature. Summer is my favorite season. I like summer because of its power and energy. I feel the power of God creating and recreating in the power of summer. The only problem with summer is, it's getting shorter and shorter as I am getting older. It seems that summer started yesterday, but it is already September.

Anyway, I just wanted to share with you the highlights of this summer. First, Jung and I, with our son Joey, went to Buffalo to watch the Yankees playing the Toronto Blue Jays. It was a perfect summer night in the ballpark. What a deal! Just drive 50 miles to watch Yankee's game instead of going to the Bronx!

But the best of this summer was a family gathering in California to celebrate, our second granddaughter, Autumn's 100<sup>th</sup> day, which is a Korean tradition. Jung and I had a great time with our children and grandchildren.

Now summer is gone. Of course, it will come back next year. Anyway, we are welcoming another great season, fall. A new season for school and football.

A new beginning! It is also a great season for the church with a new beginning. Some people might say, "What new things can we do new in the pandemic?" I can understand why you say that.

But crisis, in Chinese, is 危機, which is a combination of two words, danger and opportunity. I believe the pandemic is an opportunity for growth and thriving. I think we have learned and still are learning about God, faith, church and life from the experiences in the pandemic. Now is the time to rebuild our lives and our church and our ministries. I believe that is what God wants us to do. I believe God is excited about this new journey and He will bless our journey. God is not in quarantine!

Beginning September 12, we will **go forward with**, NOT back to, **two services** – contemporary and traditional. We will also start rebuilding ministries for the

## We Need Financial & Physical Help to Move Forward — Can you help us? Financial Pledges & Donations

There's no easy way to say it...giving is down this year and

in addition to moving forward with two services, we hope to continue with additional ministries but don't know how we will pay for them. Although this has been a challenging year for everyone, we did really well during 2020 when the challenges for most were greater. If you made a pledge for 2021 and have not paid it, we prayerfully ask that you honor the commitment that you made to Aldersgate.

## Opportunities for Serving

As you know, we need many servant leaders for various parts of the worship experience – altar committee members, Scripture readers, singers, musicians, ushers, greeters, A/V, live streaming, coffee hour, welcome table, prayer time. We need everyone to make our worship a time of inspiration, empowerment, fellowship and joy. Please contact the church office, pastor or Mark/Susan DeVincentis (Co-Lay Leaders), to let us know where you are interested in serving or if you have any questions.

## Events & Opportunities Continued

### World Communion Sunday — October 3

World Communion Sunday is one of six church-wide Special Sunday offerings of The United Methodist Church. This offering supports a diverse mix of national and international ethnic young adults to make a global impact for Christ. Half of the offering benefits World Communion Scholarships for graduate students from the U.S. and other countries; the remainder assists Ethnic Scholarships for U.S. and international undergraduates studying in the U.S. and Ethnic In-Service Training.

As you consider your donations to Aldersgate UMC, please include a donation for this special offering. Feel free to make your donation in September or October, being sure to include a notation for “World Communion Sunday.”

Thank you in advance for your generous support.

# Youth activities

### SonSurf Beach Bash!

We had a great time this year for the one day “SonSurf Beach Bash” VBS. Thank you to all the AUMC youth who helped make the day a success—carrying and setting up tables and chairs, putting together and running the obstacle course, firing the first shots in the water balloon war, helping serve food, working at the tables helping kids, playing a part in the skit, etc.! We had great feedback, everyone did a fantastic job, and it was such a great day of fun for everyone!

Thank you also to everyone else who braved the heat and helped make the day such a great success!

### Reverb Coming Nov. 5&6

With the summer over, we are starting to look to our fall activities. As of now, Word of Life Reverb is scheduled to come to Rochester and begin on Friday, November 5. It is from 6PM in the evening and runs until 6AM Saturday morning. Please contact me ASAP ([bwinter@aumcgreece.org](mailto:bwinter@aumcgreece.org)) if you are interested. Space is limited in the events after the Blue Cross Arena, so the sooner we reserve our spot the better chance we have at our first pick.

## Ebenezer Hope Ministries

---

Through Ebenezer Hope Ministries we recently completed the funding project for the first Rain Water Collection System that will be installed on the roof of the Redeemed Nakivale Church. The note below is a thank you e-mail from Pastor Jothan Gatunzi of Redeemed Nakivale Church in the Ugandan refugee settlement. Safe drinking water is an extremely rare commodity for so many refugees. During the rainy season this system will allow the church to supply safe drinking water to many people in that community. I add my thank you to your support and donations. Rich Mohrmann

**Youth Helpers:** Steven Samuel, Cyril Samuel, Luke Simonelli, Ella Simonelli, Erin Galligan, and Arianna Sloan.

We would like to have 20 cars participate. Please let Rhonda Simonelli know if you think you would help/participate.

## Get Ready for a New Journey

My son, his girlfriend and their baby just returned from a long journey. Truly, though, in our journey through life every day is a new journey and on any given day we could be hit with something that throws us off course. So, how do we get back on again? How do we prepare for a new journey?

My kids relied heavily on their GPS. That is an amazing invention. I love that it is already preset to take you around areas with construction and other slowdowns. David asked God, in **Psalm 19** to **“Acquit me of hidden flaws”** but we can also ask Him to show us what gets us angry, impatient etc. and help us either “go around it,” avoid it or deal with it in a better way.

Before they left on their journey, they got the car’s oil changed, fluids topped off and set aside enough money for fuel ups along the way. And we, too, need to set aside time each day to “fuel up” with encouragement from God’s word and prayer. And the more we read, the more will stay in our hearts and come to our minds when we need a “refill.”

By far, though, the smartest thing Evan and Tisha took on their journey was each other! Every 4 hours they switched places. And while one drove, the other slept or watched the signs or did other little things that helped the driver. And we need to help each other, too, on this journey called life, especially those who’ve hit a “rough patch of highway.”

Summer is, sadly, almost over. I don't know how many more road trips anyone will be taking. But whether driving cross-country or navigating through your day-to-day life, remember always to rely on your GPS (God’s Positioning System) to keep you on the best course, to fuel up on enough of God’s encouraging Word that you never run dry, and to ask for help when needed and give help when you can. We’re all on this journey together. That way we’ll all arrive in “pleasant places!”

***Blessings on your “journey,”***

## SPRC Update

The Staff Parish Relations Committee is sad to announce the recent resignation of Erin Bills, Administrative Assistant at Aldersgate UMC. Erin is going to be traveling with her newly retired Husband and we wish the best for her and pray for adventure and safe travels! Meanwhile, we are in the process of finding her replacement.

Happily, we hired a new Contemporary Worship Team Leader! Greg started with our combined service in the summer and is looking forward to growing the contemporary worship with the return to two services. Greg has an extensive musical background and the CWT is happy to welcome him!
