From the Pastor

As you read my pastoral letter, it will be the beginning of March. Many might think of March as the start of spring. However, those of us in Rochester understand that March is often too early to expect spring's arrival.

While writing this letter, I found myself wondering, "When will I see the beautiful flowers? Is it too early here? Could another snowstorm hit Greece again?" Indeed, as someone once mentioned to me, "Pastor Yohang, we sometimes see snow even in April." Observing the chilly weather, it's challenging for me to imagine the onset of spring, bursting with flowers. Yet, we are aware that soon we will witness a transformed world, adorned with beautiful flowers and the vibrant energy of spring.

The changing seasons remind us of Jesus' ministry and His life, especially His death on the cross and His resurrection, as told in the Bible.

Now, during the Lenten season, a 40-day journey for our spiritual growth, I encourage each of you to try something for your spiritual development. You might have already been doing many meaningful things towards this goal.

I suggest reading the Bible, focusing on the Gospels, and keeping up with your personal spiritual practices until Easter.

So, I'd like to end my letter with these words from Psalm 1:1-2:

"Blessed is the man who does not walk in the counsel of the wicked or stand in the way of sinners. But his delight is in the law of the Lord, and on his law he meditates day and night."

Blessings,
Pastor Yohang

February Craft Workshop a Success!

Our 2-day crafting workshop last month was a terrific success thanks to many people in the congregation who donated food and/or their time to help put on the event.

- We hosted 55 crafters over two days, with 51 people attending on Saturday, including four church members. It was our biggest crowd ever!
- We had 9 new attendees — all friends of people who had come to previous events.
- We raised \$2,895 from this event!
- We also received registration forms and payment of \$950 from 13 women for our next events in May and August.
- Before the weekend, we told participants about the church's plan to collect food donations on the 11th and we received about five grocery bags worth of food donations.

The next Craft Workshop is on May 11 from 9:00 AM to 9:00 PM. There will be another 2-day event on August 9 & 10 that follows the same schedule as the February event. We will, again, be looking for volunteers to make some of the food we serve for meals and snacks, as well as help with setup and dismantle and serving meals each day. Contact Karen Sladden or Susan Galligan if you want to help out or if you want to attend the craft workshop yourself.

PowerPoint Volunteers Needed!

Our church is looking for someone to do the PowerPoint slides for the Sunday Services and other special services. If you are familiar with PowerPoint, we can train you to easily put together the slides each week. There is a lot of copy/paste involved from the worship bulletins to the PowerPoint slides. They then need to be formatted into larger print. Slides for the hymns are already done and just need to be added to the slides. If you are interested, please let Pastor Chun know. We would like to find a couple of you who could do this, so that you can share the job.

Easter Basket Donations

We are collecting small items, (i.e., individualized wrapped candy [bunnies, chocolate eggs, crosses], cookies, chips, snack crackers, small water bottles, juice boxes, hand soap, notepaper, etc.) to make Easter baskets for congregation members who are unwillingly absent from church. There is a large tote in front of the nursery for donated items. Thanks so much for your continued support! We are hoping to make 20 baskets. Please see Rhonda Simonelli for more information.

A Little Thought About Lent...

Every year beginning on Ash Wednesday, we enter the season of Lent. The forty days of Lent are symbolic of the forty days Jesus spent in the wilderness in preparation for His ministry, where he endured temptation from the devil.

Except, the forty days of Lent is actually forty-six days. This isn't a colossal blunder of math. Since at one time sorrow, penance, fasting, and kneeling were forbidden on Sundays, fasting only occurred for 34 days. Because some people were upset over the next two hundred years that there weren't really 40 days of fasting, the church had to make up the extra six days somewhere else—so they added Ash Wednesday and the Thursday, Friday, and Saturday before the first Sunday of lent, and then Good Friday and Holy Saturday to make up a full 40 days.

So, that means we can eat and celebrate birthdays on Sundays during Lent.

But seriously, there's an important lesson in the season of Lent. The fasting Jesus accomplished was in preparation for His ministry. We often think of giving up certain types of food, or by taking on some service for God. And these are noble things. But the most important part is how we can prepare our hearts for the Coming of the King. The most important aspect is how we can make room for the King in our lives, and how we can better focus on God and His working in our lives. If we carry this out in the Lenten season, the changes we make can be beneficial, lasting, and permanent.

Thank You!

Thank you to all who have supported the youth group's bottle and can drive! Please keep them coming!

The Happiness Project, by Gretchen Rubin, is the book that we will be discussing.

The book is about Gretchen Rubin's year-long experiment to discover how to create true happiness. Drawing on cutting-edge science, classical philosophy, and real-world examples, Rubin delivers an engaging, eminently relatable chronicle of transformation.

Gretchen Rubin had an epiphany one rainy afternoon in the unlikeliest of places: a city bus. "The days are long, but the years are short," she realized. "Time is passing, and I'm not focusing enough on the things that really matter." In that moment, she decided to dedicate a year to her happiness project.

In this lively and compelling account Gretchen chronicles her adventures during the twelve months she spent testing the wisdom of the ages, current scientific research, and lessons from popular culture about how to be happier. Among other things, she found that novelty and challenge are powerful sources of happiness; that money can help buy happiness, when spent wisely; that outer order contributes to inner calm; and that the very smallest of changes can make the biggest difference.
